

BROKEN HEROES

Artist: Derek Joseph

Album: Prophets & Princes

Verse 1: A/C# D Esus E
I didn't know you were looking for a weakling
 A/C# D Esus E
So I tried to show You how strong I was
 A/C# D Esus E
But now I can see that You were always seeking
 D Esus-E
For the meek and the lowly
For who could have seen a God so strong and holy
Would ever be full of grace for me
Wonderful Lord, it's because You want to show me
Your heart is meek
Your heart is gentle

Chorus: F#m E/G# A – A/C#
Bro - ken heroes
 D Esus-E
Wounded healers
F#m E/G# A – A/C# D Esus-E
It is these our Savior calls
F#m E/G# A – A/C# D Esus-E
So the glo - ry will ever be
F#m E/G# A – A/C# Esus-E A
To the One bro - ken for all

Verse 3: Storybooks tell of mighty men who conquer
But now I know well, You tell a different story
Joseph and Paul, Gideon and David
Broken men
Humble ones
And greatest of all, You demonstrated weakness
Born in a stall, a poor girl for a mother
An old rugged cross, your instrument to lead us
After You
After You

Bridge: C#m

When I'm weak then I am strong
