

Father, Send Me To The Nations

Artist: Isaiah Six

Album: Who Will Go?

Verse 1:           E  
                    A  
You would leave the ninety-nine  
To go and find the one  
                    F#m                   C#m7  
Who is lost and who is dying  
                    D           Bsus-B  
That is how you love  
                    E  
There is healing for the millions  
                    A  
Dying as I sing  
                    F#m    C#m7                   Bsus-B  
So my God, I need to ask one thing

Chorus:           E                           A  
Father, send me to the nations  
                                    E                           F#m7-Bsus-B  
Send me to the place of greatest need  
                    E                           A  
Father, send me to the nations  
                                    E                           Bsus-B  
Send me to the place where your heart beats

Verse 2:           D  
You have given us the message  
To reconcile all men  
Unto Your heart forever  
It's your will, your plan  
You said to ask the Spirit  
For laborers indeed  
                                    D  
Oh Lord, Here am I, send me  
                    Bsus-B  
Send me

Bridge:                   C#m7                   A                   E/G#                   A  
To the nations, To the nations, To the nations, Oh Lord (2x)
