 Am F G
Will tomorrow bring me shame?

Verse 2: But You keep Your word
 You watch over Your sons
 You'd give the world
 Just to save only one
 Let the righteous one rejoice
 Let the righteous one rejoice

Chorus: F
 I am surrounded
 Am G
With favor as a shield

 Am G F (2nd time two extra bars)
Let the righteous one rejoice

Verse 3: You know my heart
That I've chosen your will
I have stepped out in faith
That I'd conquer this hill
Even still I've had my doubts
Battles I can't figure out

Verse 4: But still You say stand
When the evil day comes
You'll work out Your plan
If I will not run
Let the righteous one rejoice
Let the righteous one rejoice
