For the crooked
Em Em/D
For the twisted
Cmaj7 D/C
Choose a tree just
Cmaj7 Bm7
Like the wicked

Cold and callous
Hard and knotted
For the sinner's wrath begotten

Raise the cross high
Let every eye
See the one who hangs there to die

Chorus: Gsus G
Never did a thing so cold
 Gsus G
Look so beautiful
Gsus/E G/E
Never did a thing so wrong
 Gsus/E G/E
Look so wonderful
 Am7
To me
(2nd time only: D/F#
 To me)

Seeking glory
Self-sufficient
Living for me
Cold indifference

Idol lovers
Lies and treason
Hating brothers
Was the reason (without reason)

What a horror
Wrath upon Him
Untold (unknown) sorrows
All for our sin

Bridge:

F C/E
Surely He bore our griefs
F C/E
Carried our sorrows in His heart
F C/E Gsus-G
He took our nails in His own hands
F C/E
By His stripes we are healed
F C/E
Though like sheep we've gone astray
F C/E Dsus-D
He overcame so we could stand
