

Strong

G

Here I am

Am7

Laying at Your feet again

D/F#

Weaker than my enemies

G

But I know You are strong

I have come

As far as these legs carry me

So take me beyond what I see

For I know You are strong

Sovereign Lord

Could it be I've fainted here

So you could whisper in my ear

That you are so strong

Foolish man

Trusted in myself again

But now I can so plainly see

That my God is strong
