

Throne Of Grace

Artist: Derek Joseph
Album: Prophets & Princes

Verse 1: C G
 Boldly we come
 C G
 As daughters and sons
 Em7
 No longer afraid, ashamed
 D C
 To stand before His throne

 The way has been made
 The ransom's been paid
 It was His own blood He gave
 To satisfy the law

Pre-Chorus: D/F#-G
 So let God's people go
 D/F#-G
 To worship at His throne
 D/F#-G C D
 And let the whole world know we're free

Chorus: G G/B C
 Oh we will dance and we will sing
 Em7 D C
 Oh before Your throne of grace
 G G/B C
 Oh let love be our offering
 Em7 D C
 Oh before the throne of grace

Verse 2: Our enemies flee
 The moment they see
 The blood of the spotless Lamb
 Anointed on my door
 Now we are free
 Sweet victory
 For I cannot find my accusers anymore
