

WHEN YOU CALLED

verse 1: Fmaj F F(add octave note)
When you called
I came running to you
Gm7
When I saw
My boy bleeding
Bb
I knew I would give
Csus C
Anything to take the pain away

When you cried
I could hear your sorrow
You were blind
To all your tomorrows
So ashamed
Wondering if I'd forgive again

Chorus: Bb
I am the One
Bb/A
I am the Lord that heals you
Bb
I am the One
Gm7 Csus Fmaj7-F-F(add octave note)
I am the God who knows you

verse 2: So I gave everything
I could give
On the cross
Dying so you might live
All I ask
Is that you would only trust in Me

Hear Me now
My word tells forever
Of my grace
For the broken sinner
All the shame
Cast away from those who trust in Me

Bridge: Gm7 Bb/A
Remember I promised you
A
That in everything that you do
Gm7
I will be with you
Bb/A
I'll never leave you
Bb
Alone

Outro: I can hear you
I can hear you
I always hear you when you call
