

## WORSHIP WITH MY LIFE

### Verse 1

          D   A   E  
Here on the altar now I bring  
          D   A   E  
For You a sacred offering  
          D   A  
Will You delight in me  
          F#m      B  
Just bringing You a part?  
          Bm7  
You want it all  
          E/G#  
I give it all

### Chorus

          A  
I am only for a moment  
          E/G#  
A whisper in the night  
          D  
So I'll worship with my life  
F#m7      E/G#  
Worship with my life  
          A  
More than just the music  
          E/G#  
True worship will arise  
          D  
When I worship with my life  
F#m7      E/G#  
Worship with my life  
          D-A-E  
Everyday

### Verse 2

What kind of song is Your desire  
Which one will bring me where You are  
Will You delight in me  
Just bringing token praise  
You want my heart  
I give my heart
