

I BELIEVE

Verse 1:

A/D G/D
Lord, I've been so far away
A/D G/D
You- You came and rescued me
A/D G/D
How- how can I walk with You?
A/D G/D
When there's nothing for me to do
 G
But trust in You

Chorus:

 D D/C#
I believe, I believe
 G2
The work has all been done
 Em7
The work has all been done
 D D/C#
I believe, I believe
 G2
That Jesus is the One
 Em7
 Jesus is the One for me

Verse 2:

Teach me the works I must do
To show the love I see in You
You said there is just one thing
For me to see Your suffering
Your offering
