THRONE OF GRACE

D A
Boldly we come
D A
As daughters and sons
D F#m7
No longer afraid, ashamed
E D
To stand before His throne

The way has been made
The ransom's been paid
It was His own blood He gave
To satisfy the law

E/G#-A
pre: So let God's people go
E/G#-A
To worship at His throne
E/G#-A D E
And let the whole world know we're free
A A/C# D
Chorus: Oh we will dance and we will sing
F#m7 E D
Oh before His throne of grace
A A/C# D
Oh let love be our offering
F#m7 E D
Oh before His throne of grace

Our enemies flee
The moment they see
The blood of the spotless Lamb
Anointed on my door

Now we are free
Sweet victory
For I cannot find my accusers anymore
