

YOU FOUND ME

Intro: D-C-F-D-C-F

Bm A
Criminal heart
 Gmaj7
So far away from home
Bm A
Hide in the dark
 Gmaj7
Better to be alone

Over the miles
You came and searched for
When I was lost
You gave Yourself for me

 D /C /F
You found me (I still can't find a reason)
 D /A /G
You found me (You sought a heart like mine)
 D /C /F
I am free (Your blood spilled like an ocean)
 D /A /G
Cause You found me (Removing all my crimes)

Arrogant heart
Who says he found his way
Who can exalt
It's You that holds the key

For when I called
Already You called my name
So I exalt
The One who removed my shame

Bridge: C G D
You are the God of the far off one
