

## Your Soldier

Artist: Isaiah Six

Album: Who Will Go?

Verse 1:     Bm    D       G           F#  
Who will tell of your mighty works, Lord Jesus?  
          Bm       A       G           F#  
And who will bring Your cross into the fields?  
          Bm       D       G           F#  
And who will die to bring your life to others?  
          Bm       A       G           A  
And who will bring back from the one that steals?  
          G               A           Bm  
You've called to me, I've heard Your voice, deep within my soul  
          G           A           G           A  
You've given me a sword to fight, just show me where to go

Chorus:     D       A       G  
I'm Your soldier now  
          D       A       G  
Contending for the crown  
          D       A  
Here am I, send me Lord  
Bm  
It makes me very proud  
          D       A       G2  
To say I'm Your soldier now

Verse 2:     Who can hear this generation crying?  
          And who will stand in the gap for them in prayer?  
          Who will go even if it means dying?  
          Where's the man or the woman that cares?  
          Oh here am I, a willing one, I'll fight until the end  
          You've given me everything that I need to win
